

Macao Polytechnic Institute

MENG211-2020 Individual Presentation

Each student is to give an oral presentation (10-minute limit) on the following:

With the development of technology, what will people's lives be like in year 2050?

Students may use PowerPoint or other electronic forms of presentation.

Presentation date: Section 211- December 18, 2020

Section 212- December 17, 2020

(5% of Overall Assessment)

Grading will be based on the content, quality, and organization of each individual presentation.

Grading Criteria:

- | | |
|-------------------------------|-----|
| • Content/Information | 40% |
| • Organization/Logic | 20% |
| • Eye Contact | 20% |
| • Delivery (Enthusiasm/Voice) | 20% |

Total: 100%

Each criterion will be assessed on a scale: 1 to 10, with 10 being the highest. Maximum overall score for the presentation is 100.
